# IBM Research — Albany

257 Fuller Rd
Albany, NY 12203
Open in maps ↗

Main number
1 518 292 7500

General information

All visitors must check in at the security desk inside Nano Fab East (NFE) lobby. Please plan 15 – 30 minutes for check in. All visitors are required to present a valid form of photo identification (either a US issued driver's license or passport). Green card holders are also required to present a valid green card (no photocopies). Any non-US citizens who do not have a valid green card will need to complete a form and return it to the meeting point of contact (POC) at least 14 business days before your visit for processing. Without the proper IDs or paperwork security will deny you access to the site.

Throughout your visit at IBM Research, you must be escorted by your host or a delegate. At the end of each day, you must return your visitor badge to the security desk in the Nano Fab East (NFE) lobby.

Our site does not allow photography or videography of any kind unless you have been granted a camera use permit by NYCREATES. Please work with your host to obtain a permit if needed.

Driving directions

From all directions take the ramp to Fuller Road and use the circle to the north to loop to Fuller Road South. Proceed south on Fuller Road and turn right at the traffic circle onto Tricentennial Drive.

When you pull into the campus via Tricentennial Drive, you must stop at the security booth in the road. Please inform the security officer that you are here for a meeting with IBM and they will direct you to visitor parking in lot H. If lot H happens to be full, you will be directed to another lot.

IBM
